

Credit Analyst

Reston, Virginia Headquarters

John Marshall Bank has an immediate opening for two *entry-level* Credit Analysts to join our growing team of qualified professionals. Located in our Reston headquarters, specific responsibilities include assisting with developing credit information for use by our Lending officers and senior management. Credit information will be used to formulate lending decisions through the review and analysis of relevant financial statements, materials, and the preparation of written analysis reports. Duties include performing industry comparisons and assessing risk ratings.

Qualifications

- Sound credit and analytical skills
- Fundamental understanding of balance sheets, income statements, and statements of cash flow
- Proficiency with Word and Excel
- Ability to learn internal bank systems and additional software applications
- Strong combination of interpersonal communication skills, analytical and decision-making skills, with the ability to make recommendations and offer solutions

Education/Experience

- Bachelor's degree, preferably in Finance or Accounting

John Marshall is an Equal Opportunity Employer of women, minorities, protected veterans and individuals with disabilities.
