

2016 Chess Consulting Externship

Location: DC Metro Area (Reston, VA)

The 3-day Consulting Externship will take place between May and June 2016.

Overview

Chess Consulting LLC is a business advisory firm that helps domestic and international clients and their counsel develop practical and sustainable solutions to address accounting and regulatory compliance issues. Among our specialties is helping government contractors manage their critical business and compliance risks associated with selling to the U.S. Government. Not only do we understand the complex business and regulatory climate in which contractors operate, we combine that knowledge with our deep subject matter expertise in regulatory compliance accounting, financial reporting, audit, forensic accounting, risk management, corporate governance, and internal controls.

It's an exciting time to join Chess!

Objective: To discover exceptional rising seniors searching for a full-time position upon graduation. The externship will allow participants to assess and evaluate our business, while exploring our company culture to determine if Chess is the right fit for them.

Responsibilities

During this 3-day program, participants will:

- Be exposed to some of the work our new staff is assigned, including engagements related to complex accounting, disputes, government contract regulatory compliance, and investigations
- Learn what work and life as a consultant is like
- Learn directly from our staff about the culture of Chess
- Enjoy friendships, social activities, and team outings that make work and life more fun
- Have the ability to meet Chess employees from the managing directors to associates

Qualifications

Successful candidates will meet the following requirements:

- Actively pursuing an undergraduate degree in accounting or finance and plan to work full time in 2017
- The ability to work effectively in a team environment with all levels of client personnel in various industries
- Outstanding academic performance required, with a minimum overall GPA of 3.2
- Excellent written/verbal communication and collaboration skills
- Integrity within a professional environment
