

A Message from BASIS

BASIS is a \$5 million student-run bond fund currently recruiting for our Fall 2015 analyst class. Members are given an unparalleled opportunity to invest with real money and to gain exposure to industry professionals and the bond markets. Our alumni have been extremely successful both in and out of the financial world.

In the group, students will gain first-hand experience with managing a portfolio between credit analyses, pitches, trade execution, and monitoring various bonds. In addition, the group regularly follows markets trends, economic indicators, and geopolitical events to determine the effect on the rest of the market, and in turn, our portfolio. BASIS members travel to New York, DC, Richmond and Charlotte throughout the year to meet with financial institutions and professionals in the industry.

BASIS is open to *ALL MAJORS* and does not require any prior knowledge about bonds.

If interested, please attend an interest meeting:

October 13 - 6PM in Seitz 313

October 14 - 6PM in Williams 220

October 19 - 5PM applications due (online and in hard copy to Pamplin 2063)

Please visit our website at basis.pamplin.vt.edu or email us at basisrecruiting@gmail.com for more information.
