

## **The Human Rights Campaign**

The Human Rights Campaign is [now accepting internship applications](#) for the Summer 2016 semester. HRC University offers a variety of internships where students will be able to utilize the knowledge they've gained in their education so far in departments such as [Gala Events](#), [Pride & Membership Events](#) and [more](#). Here, students will gain invaluable experience as they work first hand to promote equality for the LGBTQ community. In addition, HRC U internships also offer a mentoring program and weekly brown bag seminars. Applications are being accepted until all positions are filled.

The application process is entirely on-line via our application portal at [www.hrc.org/intern](http://www.hrc.org/intern). More information can be found on the [Frequently Asked Questions page](#).
