

CohnReznick 2016 Summer Leadership Program

CohnReznick is one of the largest accounting firms in the United States. Our environment is dynamic and full of possibilities. Each year, we visit universities across the country hoping to meet exceptional students and future accounting professionals, and that could be you!

We're excited to offer an interactive summer leadership program at a number of our offices. During each event, you will participate in leadership workshops, learn about CohnReznick culture and career opportunities, as well as network and build meaningful relationships.

Applicants must currently be sophomores or juniors majoring in Accounting with a 3.0 or higher GPA. To apply, please visit your school's career website and submit your resume online. CohnReznick's Summer Leadership Program will be posted on the site. To learn more about CohnReznick visit us at www.cohnreznick.com.

Tysons Summer Leadership Program

Friday, June 3rd

8000 Towers Crescent Dr.
Suite 1000
