

Hanesbrands, Inc

Salaried Position Description

Position Title: Global Applications Associate Technical Analyst

Department: IT

Location: Winston-Salem, NC

Overview:

Working with the lead global business analyst/technical analyst, responsible for application analysis, development, integration, enhancement, maintenance and support.

Responsibilities:

Responsible for assisting in the collection, analysis, and documentation of a client's business requirements. Responsibilities include, but may not be limited to the following:

- Participates in short-term planning sessions with a client to implement process improvement within an assigned client area. Generally involves using and improving information systems. Documents discussions and agreements.
- Establishes liaison relationship with business partners in order to provide technical solutions to meet user needs.
- Assists in assessing client needs utilizing a structured requirements process (gathering, analyzing, documenting, and managing changes) to assist in identifying business priorities.
- Develops, writes, and communicates requirements for the implementation of business solutions. Seeks technical assistance to help in problem resolution.
- Develops, tests, and implements solutions.
- Develops user test cases and validates test results during user acceptance testing.
- Investigates, resolves and escalates problems. Analyzes metrics to ensure customer satisfaction.
- Provides input to project status reports.
- Responsible for adhering to applications security procedures, change control guidelines, and coding structures, and Sarbanes-Oxley IT and business requirements.

Qualifications:

Minimum Education and Experience Required:

- Bachelor's degree or willingness to attend IT Coding/Analysis Boot Camp
- Knowledge of distributed system architecture, middleware or object oriented analysis and design preferred

To qualify, applicants must be legally authorized to work in the United States and should not require now, or in the future, sponsorship for employment visa status

EOE/AA: Minorities/Females/Veterans/Disabled
