

soar at Baker Tilly

Baker Tilly's dynamic culture is fueled by people who believe in the power of collaboration. We know that a diverse workforce brings together team members from different backgrounds and experiences – and that leads to a more creative, innovative, and productive workforce.

Supporting Opportunity, Advancement, and Recognition for all (SOAR)

Our vision

Supporting the evolution of a diverse, inclusive workforce with opportunity for all team members to maximize their potential, create value and deliver to our clients as a nationally recognized firm.

Areas of focus

Our diversity and inclusion efforts integrate the following elements:

Advancement

Providing support and resources to team members seeking career advancement within our firm.

Communication

Linking the national level leadership of our diversity and inclusion initiative with our team members.

Education and awareness

Keeping all team members informed through webinars, meetings, events and more.

Talent acquisition

Seeking to increase the diversity and inclusion of our workforce in recruiting efforts, through outreach and relationships with colleges and universities and high schools.

Community involvement

Baker Tilly is proud to partner with the following organizations that promote diversity in our profession:

Awards and recognition

National

Regional
