

“Power Your Future”

Federal IT Career Fair | May 14th – 15th, 2015

Mercom has recently been awarded NASA SEWP V and NIH CIO-CS contracts and is hosting a career fair for available positions. Our executive management team looks forward to meeting you in person. We offer a dynamic and collaborative environment enabling you to perform your most inspired work in Pawleys Island, SC and Washington, DC.

Become a part of our innovative team in support of our federal customers' missions:

- Sales Account Executives with federal sales experience and GWAC familiarity
- Sales Account Executives based in Pawleys Island, federal experience not required
- Major Account Managers with federal customer base and experience using GWACs
- Deputy Program Manager for SEWP V contract
