

## **Mortgage Banker**

### **What we're about:**

The real estate and mortgage lending industry is one that is on the verge of revolution. Building for the future, CityWorth Mortgage is one of the fastest growing companies in the country. By streamlining the entire home purchase process for hard-working Americans across multiple states, our goal is to change the "traditional" mortgage loan procedure and to provide a client focused service. As we grow we are looking for energetic and ambitious individuals who want to be a part of building CityWorth into the Nation's biggest lender. CityWorth Mortgage offers in-house training, strong leadership support and an energetic, fast pace work environment. If you are a motivated individual seeking opportunity and high potential for earning, then CityWorth will put you on the road map to success.

### **Individuals we are seeking:**

Mortgage Bankers need a combination of sales, analytical, and organizational skills to create loan programs for our borrowers. We are looking for high energy candidates with strong verbal/written communication skills that can think outside the box to resolve issues in a time efficient manner while fostering a clientele. Even with little experience in banking, CityWorth Mortgage will train you and pay for your state licensing. This position pays salary + commission with most mortgage bankers earning \$50,000 to \$100,000 in their first year.

### **You're qualified if...**

- You have a bachelor's degree from any discipline
- You have excellent written and verbal communications skills
- You are a team player with the ability to coordinate with others
- You are an organized individual with the ability to prioritize
- You are a self-starter with good analytical and problem solving skills

### **Tasks:**

- Selling a wide variety of home mortgage programs and taking clients through the loan process from start to closing
- Collecting all required credit reports and financial information from all potential clients
- Working closely with others within the industry such as real estate agents to ensure the loan closes in a timely manner
- Specializing in conducting thorough analysis of income, assets, and credit to determine ability to repay loan
- Providing outstanding professional communication to a broad range of people via email and telephone

### **Why CityWorth? / What you'll gain from this experience:**

- We will provide you with an innovative and unique training program

- Opportunity to break into a highly successful and lucrative industry
- A collaborative and open work environment
- Supportive and friendly co-workers
- Professional and personal development
- CityWorth values all employees equally and each individual is rewarded for their hard work
- Open to ideas so please feel free to speak your mind here. We operate through collective efforts.

With ambitious achievements in our future, CityWorth is always on the lookout for qualified and motivated individuals. If you are committed to our training program and dedicate yourself to the work, we have no doubt you will do well here.
