Staff IT Auditor

About the Position:

The Staff IT Auditor is responsible for performing information systems internal audit work throughout the university to ensure compliance with regulations, laws, policies, procedures, and business operating systems at the direction the more senior IT auditors and/or the Associate Director.

Incumbent will serve as a resource to others in resolving more complex problems and will assist with IT aspects of other audit projects, while also occasionally performing limited systems administration for the department.

For a full description of the position and requirements, and to apply, please go to www.jobs.vt.edu. Review of applications will begin on April 4th, 2016 and continue until the position is filled.

About the University:

Virginia Tech offers 215 undergraduate and graduate degree programs to more than 30,000 students and manages a research portfolio of more than \$450 million.

The university fulfills its land-grant mission of transforming knowledge to practice through technological leadership and by fueling economic growth and job creation locally, regionally, and across Virginia, employing a diverse population of about 8,000 employees.

The university's internal audit function serves as a proactive partner with university management and staff to upgrade business processes, internal controls, and compliance mechanisms.

Through its three missions of learning, discovery, and engagement, Virginia Tech continually strives to accomplish the charge of its motto: Ut Prosim (That I May Serve).

About Blacksburg:

Blacksburg, some 12,000 acres nestled in a plateau between the Blue Ridge and Alleghany mountains, is special. Home to about 42,600 local residents, the town is considered small, but don't let its size or location fool you. Because of its award-winning services, reasonable cost of living, safety, moderate climate, and abundant leisure activities, Blacksburg is consistently ranked among the country's best places to live and has earned a reputation nationwide as a well-managed, stable, and forward-looking community.
