Releasing Old Thought Patterns

"Power of Positivity Now"

It's time to recognize that all of our Power is in the "Now" as we begin to focus on the now and live in the now we will truly learn how Powerful we truly are.

Working with experiential exercises, mirror work and asking the questions that take us deeper into an understanding of "the Power within us"

When you shift your awareness your perception changes when your perception changes your entire world changes simply said "A Miracle"

This workshop will open your mind to the possibility of new ideas and help you align with your Natural State of Being "JOY"

Together let's write a new script, sing a new song and live the life you Desire

I look forward to sharing this amazing journey with you
Awaken your Feelings
Let them guide you to Living in the
Now
