

Would Your Business Benefit From Ranking #1 in the Search Engines For Your Product or Service?

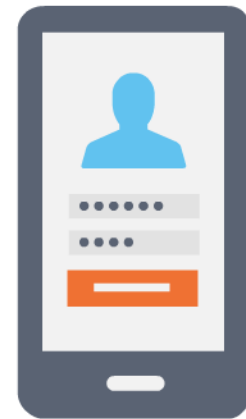

We are ranked #1 in the search engines out of all the companies that say they can rank you #1 in the search engines!

Why You Need SEO:

- The top result in the search engine gets roughly 1/3 of the clicks. The organic results earning the 2nd, 3rd, and 4th spot now receive the other 63% of the clicks, leaving only 4% of clicks for anything lower. (Source: Business 2 Community)
- 75% of users never scroll past the first page of search results. (Source: Search Engine Journal)
- Conversion rates from search are 10% higher than they are from social on desktops, and 15% higher on mobile. (Source: Freely)
- Over 50% of all mobile searches lead to a purchase, and 78% of mobile searches for local business information result in a purchase. (Source: Payfirma)

- 50% of consumers visit a store within a day of their local search on a smartphone. (Source: Google)
- 1 in 3 smartphone searches were made right before a store visit (Source: Google)
- In a May survey conducted by BrightLocal 61% of consumers said that they are more likely to contact a local business if they have a mobile optimized site. (Source BrightLocal)
- 2015 was the first year that mobile searches surpassed desktop searches and the trend is growing RAPIDLY! (Source: Google)
- Among a group of SMBs (small and medium businesses) that had or planned to create a website, just 33% had a mobile-optimized site. NOTE: Responsive does NOT mean mobile-friendly! (Source: eMarketer)
