This annual night of fun is exciting to bring your family and friends - we will have bounce houses, face painting, music, dunk tank, carnival games and prizes and train rides!

We are excited to also be officially unveiling to our guests that evening our new state of the art Sensory Stimulation Building. The new building will be a huge benefit to the thousands of campers we host each summer.

To plan accordingly for food we would ask that you please RSVP to the Rotary Office directly at 585-546-7435 or [intern@rochesterrotary.org](mailto:intern@rochesterrotary.org). The cost is \$5 per person or \$20 for the family!

*We hope to see you there!*
