USING IMPROVISATION TO IMPROVE LEADERSHIP PERFORMANCE

An amazing opportunity to learn from the pros of Improv Asylum
brought to you by your friends at AYP - Chapter 4!

Learn how the tools & techniques of Improv can help you communicate and listen more effectively, work together as a team and build off the ideas of others. Experience the power of "Yes..And"; and see how those simple words can create a more innovative you! The Improv Asylum team will show you how to train your head to think fast on its feet; by giving you skills that will help you lead and succeed!
