How Points are Earned and Removed

Points are earned based on completed trainings and systems installed.

Training^

8 hour classes are worth up to 5 points, based on test score.

- Grade 95-100 = 5 points
- Grade 90-94 = 4 points
- Grade 85-89 = 3 points
- Grade 80-84 = 2 points
- Grade 75-79 = 1 point
- Training points expire after 24 months from the time they are awarded.
- Online classes are worth 1 point each and are graded on a pass/fail basis.
- Training points are valid for a period of 24 months after completion.

Registration*

- Registered points are 1 point for each Halcyon condenser, and 4 points for three phase condenser.
- Registration points expire 12 months from the time they are awarded..

Cash in on Loyalty Rewards

Only Fujitsu Elite Contractors can earn dollars from product registrations. Loyalty Rewards can be redeemed for sales literature, trade show materials, yard signs, posters, trade show banners, presentations, energy calculators, Fujitsu branded wearables, van signage and more. When you have achieved Fujitsu Elite Contractor Status you will have a link appear under the "Loyalty Rewards" link on your Fujitsu Toolbox home page to the Online Fujitsu Brand Store to spend your Loyalty Rewards.

- A Fujitsu Elite Contractor must purchase and register a minimum of 20 points per program year to be eligible to spend loyalty rewards. Purchased systems will be tracked through the Fujitsu Toolbox so it is imperative that this be kept up-to-date to use the rewards you earned.
- Accruals will be calculated through December 31, 2015 and may be used through March 31, 2016.
- \$1.50 is earned for every 1,000 BTU/h installed. Only outdoor units will be counted.
- Earned loyalty rewards drop off after 24 months if not spent.
- If Elite Contractor status is lost, loyalty rewards are frozen and the loyalty rewards link on the contractor's Fujitsu Toolbox no longer shows.
- Any contractor that held Fujitsu Halcyon Dealer status prior to June 15, 2015 will automatically become a Fujitsu Elite Contractor for the remainder of the year and will accrue loyalty rewards, even if they have not met minimum training and registration requirements. All systems registered since January 1, 2015 will qualify for rewards. However, in order to maintain Elite Contractor status in 2016, all Elite requirements must be met.

Outdoor Unit BTU/h	Dollars Earned
9,000	9 x \$1.50 = \$ 13.50
12,000	12 x \$1.50 = \$ 18.00
