Fleece Blankets for Mercy Hospitals

On Sunday, February 21st the Sunday school classes will again be making fleece blankets to be donated to Mercy Hospitals. The blankets serve as a comfort item that are given to patients of all ages. This is our 3rd year making fleece blankets, our 1st year we made 62, last year we made 91 – how many can we make this year? How can you participate? Join the kids on Feb 21st and help tie blankets (we can use lots of extra hands), donate a completed blanket that you make with your family, book club, Bible study etc., donate fabric (2 pieces of fleece 1 ½ yards each make 1 blanket). Join us on

Sat. Feb 20th to help set up the blankets to be tied on Feb 21st. Contact Jill Capps at jcapps621@msn.com with questions or to volunteer.

Volunteers

We would like to thank all of our volunteers who served at Sunday school during our first semester. We could not provide this ministry without your help. As we enter into this next semester our need for volunteers will increase. As the weather changes and sports activities increase, some of our regular volunteers will have conflicts. Please prayerfully consider donating your time to this awesome ministry. You do not need to volunteer on a weekly basis, even if you can only help on one or two Sundays we can use you. Our rotation curriculum is such that it does not require any preparation from you. Simply show up on Sunday morning and the curriculum and supplies will be waiting for you. (You can read the curriculum word for word – it doesn't get easier than that!!) If you would rather shepherd than teach, let us know – we can almost always use a substitute.

Contact Us

If you are interested in volunteering or have any questions regarding Sunday school please contact any member of the Education board.

Education Council Members – Jill Capps jcapps621@msn.com, Mary Tjeerdsma amtjeerdsma@yahoo.com
