

Third Grade Classroom Supply List

On the shopping list below are items we would like to request your child to bring to school. Please DO NOT LABEL the items with your child's name, unless specifically noted.

Students who are not in the FLI classroom will only need to purchase items listed under Language arts.

Students in the FLI classroom have two different classrooms with different needs. We are requesting separate items for both English Language Arts and Math/Science. Please bring these to school in separate bags and drop them off in the specified classroom. Thanks for your help!
