## News & Notes

I never thought I'd have a chance to get *Calvin and Hobbes* on our cover—but here they are with full permission. I really like the new book. And its our chance to pre-announce the anniversary hardcovers of the original books, coming in June.

The **Harvey Horrors** and **Phantom Lady** sale offers softcover editions at **60% off**. But our stock is limited and these are already moving quickly. See page 8. The **Moore Studio sale** on page 12 features statues and ornaments, even a couple we never before handled, at moving-sale discounts.

The **Don't Miss These!** backlist section begins on page 17 and features items from six months ago or longer. Plus special sections on **J. Scott Campbell** (p 18), **Cavewoman** (p 28), and **H.P. Lovecraft & Edgar Allan Poe** (p 26).

To squeeze in more New Arrivals, we dropped Collector's Supplies this time. But refer back to any other catalog for full details, or visit our website.

We now have a very active **Facebook** page. We post **News and Notes** from my weekly emails, selected new items, and upcoming events. We also have a ton of friends: artists, writers, fans and publishers. We post their most interesting posts with art, events and links. See to the right.

# HARVEY HORRORS!

★ Harvey Comics is best known for kid-friendly hits like Richie Rich and Little Dot. But like Atlas (Marvel) and EC, Harvey were perfectly happy to pull out all the stops on horror. Before the Comics Code, they produced many of the meatiest and wildest stories of gore and terror, ghosts and sudden death, strange creatures and madmen and madwomen. Comics fans consider their short but sweet run of horror next in line after EC, and equal to or better than the somewhat pedestrian fare from Atlas. All items are deeply discounted from the publisher's original price.

### SWEET SHAVEN ANGELS Volume 3

By Mikhail Paramonov. By removing their pubic hair, these young women seem to be wanting to stay forever young, suspended in a state of disquieting purity. This is the extraordinary effect these naked pictures have on us: they are showing us "indecentcy" as a supreme form of innocence. They convert the brazenness into an ideal of ingenuousness and turn sexy models into icons of chastity. Excellent photography both indoors and outdoors with natural lighting. All manner of lovely young women, clearly a melting pot of European countries, girls from olive-skinned to porcelain white. Text in English, French & German. Very explicit.
