Dearly Beloved,

Loving greetings from Engeltal with 1 Peter 5:5-11 (AMP): “... *all of you, clothe yourselves with humility toward one another [tie on the servant’s apron], for GOD IS OPPOSED TO THE PROUD [the disdainful, the presumptuous, and He defeats them], BUT HE GIVES GRACE TO THE HUMBLE.* <sup>6</sup> *Therefore humble yourselves under the mighty hand of God [set aside self-righteous pride], so that He may exalt you [to a place of honor in His service] at the appropriate time,* <sup>7</sup> *casting all your cares [all your anxieties, all your worries, and all your concerns, once and for all] on Him, for He cares about you [with deepest affection, and watches over you very carefully].* <sup>8</sup> *Be sober [well balanced and self-disciplined], be alert and cautious at all times. That enemy of yours, the devil, prowls around like a roaring lion [fiercely hungry], seeking someone to devour.* <sup>9</sup> *But resist him, be firm in your faith [against his attack — rooted, established, immovable], knowing that the same experiences of suffering are being experienced by your brothers and sisters throughout the world. [You do not suffer alone.]* <sup>10</sup> *After you have suffered for a little while, the God of all grace [who imparts His blessing and favor], who called you to His own eternal glory in Christ, will Himself complete, confirm, strengthen, and establish you [making you what you ought to be].* <sup>11</sup> *To Him be dominion (power, authority, sovereignty) forever and ever. Amen.”*

**End-Time Prophetic Scenarios:** As we mentioned in our last letter, we are all surrounded by prophecies, visions, and dreams of a chronic stream of disasters: natural, man-made, political, and religious, as well as bright and glorious heavenly reports of coming revival, the supernatural glory of God being manifested in His people, miracles, signs, and wonders, with a super-abundant harvest of souls. Some believers are scratching their heads, wondering which kind of revelation is the truth! Others are sternly standing by the revelation they have seen and won’t consider the other as a possibility. Thank God the Holy Spirit is faithful to demonstrate to us that it’s not a case of either this or that, it’s that these things are all coming together. God stands one prophet on one mountain top to view the scene, and He places another prophet perhaps in a valley. They are being faithful to share what they see, but they are seeing scenes of the coming days from different localities.

As the scripture above exhorts us, we must set aside our self-righteous pride (“I know what I saw, and that’s what is coming!”), and humble ourselves. We must realize that although we know what we have seen, it takes the whole Body to put all their pieces of the grand puzzle together and allow the Holy Spirit to work the understanding in us of the interpretation. And even if we get the interpretation right, we need to allow that God does things in His timing — often based on the reaction of those being tested. Jonah was indeed a prophet and it was absolutely humiliating to him that Ninevah wasn’t destroyed in forty days. Prophecies we were certain would take place imminently in the 1970’s are only now beginning to unfold. Jesus said to His disciples, “*And now I have told you before it come to pass, that, when it is come to pass, ye might believe*” (John 14:29). We would be so much wiser to set our hearts on this model — to let the event happen and then we will really understand and set our hearts on the true the interpretation!

**Strategic Delay!** I was in prayer one morning in September, between Rosh Hashana and Yom Kippur, when I heard the words, “strategic delay.” I pondered for a couple of days about what that means, but then I felt that it’s less important for us to know the interpretation of those words than it is to pray into them. So, I spent time taking a breath of the Presence of God and saying, “strategic delay,” and then praying in tongues. The Holy Spirit knows best how to pray into something we don’t understand. I would encourage you to follow His lead as well.

Joshua obtained a strategic delay in Joshua 10:12. “*Then spake Joshua to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the valley of Ajalon.*” The armies of Israel were able to defeat their enemies because God miraculously gave them a longer day than is possible in the natural. And the greatest part of that story is

*“And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy ...and on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy.” (Acts 2:17, 18)*

that God performed a miracle that affected the cosmos to protect a people (the Gibeonites) with whom Joshua and the princes of Israel should never have made covenant! In other words, although they had made a mistake, God honored that covenant with a miracle — talk about ALL THINGS working together for good to them that love Him and are called according to His purpose!

I have also had the impression that this “strategic delay” was like the finger of God coming down and pressing the “pause button” to give His people an opportunity to catch up! Do you remember the television program, *Touched by an Angel*? In each episode, a team of angels were assigned to a person who needed their help. They appeared in human form until that special moment when God wanted to give the person a message — then the angel was illuminated and everything around the conversation with the angel was frozen in time while God’s message was received. I feel like God has blocked some of the devil’s planned activities until God’s people get “the message” and get into their strategic positions to be ready for what is coming next.

**Disasters and Revival:** We know that disasters are coming. It will likely take disasters to wake up the sleeping and complacent ones who have pushed the snooze button and rolled over once again, returning to their self-centered dreamland. Jesus spelled out the many things that are “*the beginning of sorrows*” in Matthew 24, but in verse 14 He said that the end will come as the Good News is preached in all the world for a witness to all nations. According to <http://www.peoplegroups.org> there are 6,783 unreached people groups that include a population of 4.2 billion people. The sweeping out-pouring of the Holy Spirit that Joel prophesied and Peter quoted on the day of Pentecost can bring in this harvest in short order as His people get in sync with the Holy Spirit in intercession. We must obey Him when He says “Pray!” Or “Give!” Or “Go!” I am reminded of a song the Lord gave to Sister Gwen as a poem, and my mother-in-law, Dorothy Buss wrote the music:

Lord, send the rain, the Latter Rain, and help us reap the golden grain!  
 And fill the vats with wine and oil — Refresh the weary, worn with toil!  
 The nations cry for rain, O Lord, that heals the wounds caused by the sword.  
 The nations cry for rain, O Lord, that heals the wounds caused by the sword.

**Back to the War Room!** In case you haven’t already seen the movie, *War Room*, I highly recommend it! I believe that the Lord is using this movie to inspire His people to restore their prayer closets (or start new ones) and take up prayer as never before. And this is the secret to overcoming fear and being prepared to cope with any situation. Psalm 91 holds precious promises of protection from all manner of evil, but the promises are for those who DWELL in the secret place of the Most High! If we are busy pursuing the dreams of our own imaginations and living for self, those promises don’t apply. But if we lay aside our own personal desires and take up His, we will be used by Him for His eternal purposes and we will be happier than if we had reached our own selfish goals. Remember that in Psalm 106:15 we learn that in the wilderness God “gave [Israel] their request, but sent leanness to their soul.” If you find your soul isn’t satisfied, perhaps you have been asking God for the wrong thing.

Get in your prayer closet and enter His Presence with thanksgiving, singing, and praise. Worship Him in all His glory. Tell Him what He means to you. Exalt Him in the terms the scriptures use. When you feel His Presence, get quiet and listen. He wants you to be still and know that He is God (Psalm 46:10). Perhaps He will speak to you, or perhaps just His Presence in the silence will minister to your soul. Follow the leading of His Holy Spirit. He may lead you to intercede in tongues or in your own language. Keep your Bible handy and pray the scriptures. The angels are standing at attention, waiting to hear the voice of His Word, so they can do what He says (Psalm 103:20). When the Holy Spirit prays through you, the angels get to work to answer your prayers. Remember to pray for Israel first, because it is God’s Chosen Land for His Chosen People. “*Pray for the peace of Jerusalem: they shall prosper that love thee*” (Psalm 122:6). You will find the answers to the other prayers of your heart will come more quickly and easily if you take up the prayers of His heart first.

When you pray in tongues, be sure you are focusing your heart on God. Remember that it is prayer directed towards Him. While it is possible for your spirit and mouth to be speaking in tongues while your mind is wandering somewhere else, beware that you are not just paying lip service to God without having your heart intentionally directed to Him.

**Intentional Prayer:** When we choose to pray, and practice entering and dwelling in the Presence of the Lord, it enables us to pray without ceasing. It is having a continuous dialogue with God where we welcome Him to engage in

every circumstance of our lives. One of the meanings of the word “cares” that we are to cast on Him in the scripture I mentioned at the beginning of this letter is “distractions.” When we continually return to Him and cast even our distractions on Him, our souls will settle down and be less and less stressed. No stress can abide in His Presence. But do you understand that stress is not the pressure that is coming at us from all sides? Stress is **our reaction** to the pressure. We must choose to bring these things to Him and let His Holy Spirit rule. As we yield to the Holy Spirit, He will work the character of Christ into us by bringing His fruit to maturity in our character.

**The In-Dwelling Christ:** It is the power of Jesus living in you — the In-Dwelling Christ, that will transform you from glory to glory! Sister Gwen had a collection of little glass angels on the window sill. We have still kept them there. They are just cute little whimsical characters that make you smile. But as the sun is coming up, when that moment comes that its rays take on a rosy, golden hue, those little angels become filled with light and glow with a golden glory. The reason they become so beautiful is that they are transparent. This is how we can magnify the Lord — each time we lay down our own agendas to take up His, each time we die to self, each time we deny ourselves and take up our cross and follow Him, we are becoming more and more transparent. That means that it becomes easier and easier for others to see Jesus when they are looking at us. And when He decides to shine through you, there will be nothing obstructing the view of Him, and He will get all the glory!

**Serve the Lord with Gladness:** Psalm 100:2 exhorts us to “*Serve the Lord with gladness.*” The Hebrew word for serve means “to work, to serve, to labour, do work, to work for another...to serve as subjects”<sup>1</sup> and gladness means, “joy, mirth, gladness, gaiety, pleasure, glad result, happy issue.” It is also translated “rejoicing.”<sup>2</sup> It’s all about our attitude as we serve the Lord. We weren’t wired to strive to please Him — we were wired to know Him as our Father Who is completely enamored with us and loves us unconditionally. According to Jesus, His number one rule is for us to love Him with all our being. When you serve with a heart of love, joy is the natural result. That’s where the blessings flow! But the curses of Deuteronomy 28 are promised to those who don’t serve Him with joyfulness and with gladness of heart! Let’s step up and give Him the glory He deserves by allowing him to fill us with joy, no matter what our circumstances may be. We can live relaxed and full of faith and trust because God is in control. Even the prophets who are seeing the greatest devastations are being assured by God that He will take care of those who put their trust in Him. Let’s share our joy with others and help them to find His peace and rest.

**Jerusalem Summons:** When this letter goes in the mail, we will be in Israel for the Jerusalem Summons. We know that the Lord is going to use the corporate Body that attends these important meetings to help those who are already laboring in worship and intercession in the city. It takes all of us pulling together to build the walls as they did in the days of Nehemiah: with one hand building, and the other holding a weapon. The spiritual warfare is real, and we trust that you are already praying before you receive this. Thank you for helping us carry the burden of the Lord for His beloved Land and People!

**Galilee House / Jerusalem Apartment:** As I mentioned in our last letter, Gene and Marylois feel the Lord calling them into other living quarters in Jerusalem so that they, like the apostles of the early church, can “*give [them]selves continually to prayer, and to the ministry of the word*” (Acts 6:4). And as you may remember, our Board of Directors took it to prayer and agreed to **let go of the Galilee House** if there wasn’t enough income from donations to the Israel ministry to support both it and the new apartment. Since then, there was a beautiful response during the month of August from those who gave one-time gifts, but it doesn’t appear that there is enough of a monthly response since then to carry them both. We are intending to give notice to the landlord of whatever the outcome will be by the end of November after the Jerusalem Summons. So please continue to pray that the Lord’s will be done. If a last minute miracle of monthly commitment comes through, we will continue to keep the Galilee House as the Littles begin to look for an apartment near the House of Peace. We see our Israel ministry as one entity that is praying, worshipping, and encouraging local believers. The Lord will help us do that wherever we are in His Land.

**Update on Our Wounded:** Our former Membership and Branch Coordinator, Betty Coates, suffered a stroke at the end of August. Her left side was paralyzed and her speech was affected at first. Thankfully, her speech has returned and she has some movement on her left side, although not enough to enable her to walk and use her left hand. She had

1 *Blue Letter Bible Lexicon*, results for Strong’s number H5647 ‘abad

2 *Ibid.* results for Strong’s number H8057, *simchah*

just moved to our local nursing home (one of the best you will find anywhere) in June and was doing her part to bring the sunshine of the Lord's Presence to the residents there. She still has her sunny disposition and brightens the corner where she is. Please continue to hold her up in prayer. She will be 94 on her birthday, December 23.

Linda Hartzell had also sustained a stroke in February. Thankfully, it did not affect either side or her speech center. However, it hit her short-term memory center and has left her with "considerable cloudiness" for some time. She is still improving and is living in a lovely apartment in an assisted living facility. Please continue to pray for her healing from the roots so that she will be able to return to ministry in the nations.

**Christmas Special:** It is always our delight to provide you with an opportunity to purchase Engeltal Press books, and select music CDs at a reduced rate so that you can give gifts for Christmas that will change lives. **Youth and Young Adults Retreat:** Once again December 28-January 1 we are welcoming youth and young adults ages 15-30 to be with us for a wonderful time of retreat with the Lord. It is lots of fun and there are lots of opportunities to grow in the Lord. Please be praying for this event that God will bring each one He wants there and that it will be life-changing for all. We have online registration that you can access from our website.

**The Great Shout:** International Minister Ralphena Dodson tells this account of the Lord calling her to initiate the annual Great Shout: "In prayer in 1998, I asked God what was He was going to do about the deterioration of the moral character of our nation? Instead of answering me, it seemed the voice of God asked me what was I going to do? That night I saw a map of the United States; I saw a covering that looked like bricks with something wet between them. The bricks got closer and I realized they were words, and the wet stuff was blood. I know that our world's atmosphere is saturated with words spoken, sang, printed; and pictures worth a thousand words. Most of them blaspheming God, cursing, profane, perverse, irreverent, evil utterances that are heard 24 hours a day by everyone. Bloodshed is common in our culture. We have abortion, promiscuity, tattoos, piercings, murder, bloodletting sacrifices of animals and humans. Bloodshed everywhere! The word says: *"If my people who are called by my name, will humble themselves and pray..."* (II Chronicles 7:14) When we ignore our differences, come into agreement and reach across denominational lines, decreeing that Jesus is Lord, we create UNITY. Our goal is to Wrap The World With The Name of Jesus with a GREAT SHOUT! Join Us New Years Eve Night as we shake the heavens at midnight with a shout of unity and victory. We are going to lift up a loud voice in one accord time zone by time zone all around the world.... With a GREAT SHOUT we will declare JESUS IS LORD!" So let us mark our calendars to welcome the new year in at midnight shouting **JESUS IS LORD!**

**New Roof for the Office:** We are expecting the roofing company to be here soon to put the new roof on the office. We received an offering at the Harvest Gathering (see the enclosed list of recordings — it was terrific!) that totalled a tithe of what we need. God spoke to us clearly that it is time for it, so please join us in praise to the Lord that He will manifest His faithfulness in providing the finances to pay for it when it is finished.

**Thank you!** Thank you to each one who has begun to send help on a monthly basis. No gift is too small — God is counting faithfulness! We are truly grateful to God for you and your heart toward Him. *"Faithful is he that calleth you, who also will do it"* (1 Thessalonians 5:24).

Your handmaiden,

*Sharon E. Buss*

## Prophetic Words from Harvest Gathering

**Rona Spiropoulos:** The Lord says, "We are living in a time of ascendant glory. We're living in a time when the glory will be revealed as never before and you will find that you are ascending into places that you've never been able to access before. Because during this season, there's been such an opening up of the gates that the gateways to heavens and the gateways to realms and the gateways to courts and even judgment seats have opened up to you that have chosen to walk so close to Me and that have spent these years crying out, 'God, I feel that there's a place in my spirit that I need to access! And I've cried out to you, Father, and I haven't known how to get there because I've known I can only be carried up on angel's wings and I can only be carried up by the wind of the Spirit.'

Those places are able to be accessed at this time if you will set aside the place of unbelief that you've walked in and the places where you've clung to earthly things and the places where you've looked at Me and wondered and said, 'Can this truly be? Can it ever be that I can reach that place?' Because in this hour, I'm sending out the spirit of a golden eagle that is going to sweep underneath you and sweep you up into the heavenlies and take you to places where you shall behold My beauty in realms where you've never seen it before because it's the time of the great unveiling. And the great unveiling is the unveiling of My face because I'm going to show you who I am and it will transform you from glory to glory to glory because you're going to be challenged in such a way that you're going to have to see the intimacy of My Love for you to carry you above and beyond the things that are happening in the world.

They're places of hope. They're places of revealed glory. They're places of such faith and honor. They're places of such impartation that the glory of God coming upon you in those places and the impartation that you've carried on eagles' wings is going to renew your strength, it's going to renew your youth, but more than anything else, it's not only going to renew your vision, but it's going to take you beyond anything you've ever seen before in the spirit realm. It's the places of Heaven coming to Earth with such manifest glory and such manifest glory portrayed through My people and manifested through My people that the words 'Christ within me, the hope of Glory' are going to be like a thing of the past as He is going to be manifested and He's going to shine through His people.

And He's going to manifest himself with glorious signs and wonders and some of you will even walk around and

people will say, 'What is that I see over you? How come you're walking around with a rainbow over you? How come you've got a cloud over your head? How come you're walking around and it looks as though you're not quite here? You seem to be half here and half in another realm.'"

Because we've entered into a gateway and it's like we've entered into a time chamber and it's like we've entered into a portal of timelessness that is taking us into a place with God where we can be in two realms at the same time and have total understanding of what's going on in both realms. That will be the manifestation of Heaven coming to Earth. God says, "My glory is going to be seen on My people, it is going to be seen through My people I have chosen them as vessels of glory. My people are not only going to be My dwelling place, they're going to be the manifestation of My dwelling place. They're going to be those that exude glory, exude glory and penetrate the hearts of men. Just their very presence is going to penetrate the hearts of men because I'm taking you through places of breaking." He's taking His people through places they've never dwelt before or seen before and through problems that have never manifested in their lives before. God says, "I'm taking you into those places not for your destruction, but so that you can enter into My place of glory through your own brokenness because it's through broken vessels that My Glory is going to pour and it's going to pour like rich, fresh oil and it'll be like the seat of God himself has come down to earth to reign amongst His people.

**Bob Baldwin:** I hear the Lord saying, "Come up here. Come up! For you would expect Me to come to you, but I'm inviting you to come up. For I want you to taste and see, to experience. Yes, behold Me for I am in My sanctuary. I have come many times to visit you but will you come higher? Will you cast aside the thoughts, the barriers, the restraints, and allow Me to work within and through you and do My good pleasure? For surely My goodness will be upon those who have faith. My goodness will be upon those who will release love. My goodness will be upon those who hunger and thirst for righteousness.

So cast away restraints, cast away criticisms, cast away comparisons and allow Me to do a work. For this is a place where I will surely visit you, but you must turn your eyes upon Me and ascend with your spirit. So come up! Allow Me to draw you. Will you run? Will you allow Me to pull you into My love? Will you allow Me to wash you? Will you allow Me to refresh you? Will you allow Me to challenge you? Will you allow Me to walk with you?

To fill you afresh? For this is a time that I will anoint many for the days ahead. This is a time when I will indeed assure your hearts. This is a time of refreshing. So cast off all those things that would be a hindrance, for I would say that this is the day that I have made. Rejoice and be glad in it.

**Claren McQueen:** “For have I not said and will I not then perform that which I have said? Surely this is a time of great shaking. It’s a time when many nations and peoples throughout the earth will be shaken. But it is a time of rejoicing,” saith God. “It is a time when as I infill you, you will rejoice if you will allow Me to work through you in the way that I have spoken. I have said it and I will perform that thing that I have promised. I call you up to rejoice in Me and move in My glory.”

**Sharon Buss:** Just before Eva Dooley spoke in the final meeting about being fitted with a new mantle of an evangelist, I stepped up to the podium to introduce her, debating in my heart whether or not to share a word I had heard in my spirit a few days earlier. I felt that it was so personal that I didn’t know if it should be shared or not. As I waited on the Lord, I felt a release, therefore I feel it was not for me alone, but also for you. The word I had heard while waiting on the Lord was, “Be very still: you are being fitted for new armor.” When I heard it, in that moment I saw in my spirit a golden breastplate covered by a crimson mantle. I remained very still, pondering if this was some type of a military promotion, imagining that my previous breastplate might have been made of a gray metal.

I have been teaching for years that every piece of the “whole armor of God” mentioned in Ephesians 6:13-17 can be seen as symbolizing Jesus. His very Name means Salvation as the angel of the Lord told Joseph in a dream in Matthew 1:20-21, so He is our helmet of salvation to give us the mind of Christ as we are transformed by renewing our minds in His Presence. Romans 13:12, 14 says, “The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light... But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfill the lusts thereof.”

A few days after my first experience, I was again waiting on the Lord and felt He showed me my new helmet. As I was meditating on Jesus being my armor, the thought occurred to me that as He is the Lion of the Tribe of Judah, He would appear as my helmet in the form of the head of a lion, and then I saw Him surrounding my head as though I were looking out of His mouth! I was reminded of the fiery, roaring lion in James Nesbit’s Prophetic Art [see picture on ad page]. Imagine yourself wearing that on your head! I share this with you because I believe this new armor is available to those whom the Lord is calling

to stand in His spiritual army. I would think the enemy of our souls would be quite intimidated to see an army of warriors who have so yielded their hearts and minds to the Soon-Coming King of Glory, that they are clothed in Him! He is the One Who is coming on His white horse with His title: “Faithful and True.”

Beloved, let us press in to His Presence and lay down our opinions and personal desires. Let us die to self and give place to Him in every aspect of our lives. Let us be very still and allow Him to fit us with new armor to face the new spiritual battles that are ahead of us. Fill up on His great and abundant perfect love that will cast out every fear from our hearts and fill us with the courage to follow Him fully all of our days!

Prophetic Words from our staff devotions:

**Linda Gladman** 10/14/15: “These are days when the nations are hanging in the balance, but I have a people that shall rise up and begin to pray. I may send you to go, I may speak to you as you’re lying upon your bed asleep at night, and you shall wake up and begin to travail. I shall also translate many to nations to hang over the nation and to begin to pray. I have souls in these nations that belong to Me. I want My harvest and I will have My harvest! Will you be My harvesters in whatever way that I choose to send you? Will you yield to Me? Will you cry out to me for the fire of God and the fire of travail in whatever I want you to do? Because the nations are hanging in the balance!”

**Bob Baldwin** 10/15/15: “For surely My Kingdom is arising. Yea, there is a strengthening. My blessings are on My people. Yea, My eyes are looking for those who will become eagles, those who will become the lions, those who will become the ox, those who will bear the burden of compassion and love that manifests My glory in the earth. Yea, for My sound is going out; My word is going out; My Spirit is going out. My love is reaching, touching nations through My people. I am excited, my people! For My heart rejoices over My beloved. I look for those who are in-braided in My purpose. They are like rope that’s braided together with all that I have purposed. Walls shall come down. Barriers that you’re wanting to see fall are falling. Those things that you’re wanting to see expand will expand. Those desires of your heart will be fulfilled. Yea, there are songs of rejoicing in the heavens! There are songs of rejoicing in the earth!

There are administrations of my Spirit arising. There are apostles, prophets, pastors, teachers and evangelists that are taking new strength and will become sons that manifest My glory in many places. I am rejoicing! I am rejoicing! I am rejoicing!”
