## 1 MAKE IT SIMPLE

Create a timeline:

1-purchase materials on 9-5-15,  
2-register for class on 10-1-15,  
3- request support from a TA for  
11-1-15, etc.

Don't worry if you have to adjust  
the dates as you go. You will  
still have a plan working toward  
your goal!

## 2 MAKE IT EASY

Know your resources:

- \* what are the costs?
- \* how much time will it take?
- \* what help do I have?

Click on the Essential Standard  
above to get the answers!

## 3 BE POSITIVE

There are so many resources and  
supports available, regardless of  
which Essential Standard you chose.
