

**Subject:** Inquiries Re: Gunder's Legal Fund Donations

*Resulting from earlier e-mails, there has been a resounding response from the collision repair industry as well as distributors around the country on how to get donations to Ray to help with his legal fees.*

*I have been asked to provide the following:*

*One can make a donation on Ray's behalf by sending your checks payable to and sending them to:*  
**Brent Geohagan, Attorney at law**  
**Geohagan, P.A.**  
**3001 Bartow Road**  
**Lakeland, FL 33803**  
**(863) 860-0858**

*Please write in the "For" area: **"Donation to Gunder's Legal Fund"**.*

*Ray has committed that he will keep track of whatever he gets in donations, and that upon his winning the cases, which he and Brent will, he'll leave the recovered fees and costs in the "Legal Fund" making them available to other repairers who wish to seek full consideration for their efforts. Your "gift" will indeed be; **"The Gift That Keeps on Giving!"***

*Imagine the war chest that could be built if every shop gave a monthly donation of just \$50.00 to \$100.00...and the benefit to the entire industry in exposing and combating the insurer's ever increasing efforts to underpay consumers for proper and thorough repairs! I understand that not all repairers will contribute but if we could get a majority of the 30,000 plus shops in our country... that would amount to one heck of a Legal Fund...which if everyone who participated elected to "let it ride" would benefit shops all around the country for virtually as long as it was needed...imagine the difference we could make together!*

*Your involvement and contribution will be kept confidential (excluding Ray, myself and Brent) unless you wish to make it public. Every contributor will receive a personal thank you from Ray.*

*Thanks to all!*

*Barrett*

*Please pass this on to other repairers in your area with your encouragement to participate. Thank!*
