# Parent Notice

---

**Dear Parents,**

We are thrilled that your son/daughter would like to serve as a 5<sup>th</sup> Grade Car Pool Ambassador at Mariners Christian School for the **2016-17** school year! We require your permission and informed support as part of the process. The students would primarily be serving in the first month of school, as our new TK and Kindergarten students orient to the rhythm of car pool in the mornings. The purpose of this letter is to ensure that both the parents and students understand that serving in this capacity will require responsibility, time, and dedication to fulfill the shifts that students are assigned in that time period.

## ***Time Commitment***

Students who serve as Car Pool Ambassadors will be required to attend a mandatory orientation, most likely on the first day of school during their recess (to be confirmed). They will also be required to arrive to school at 7:30 AM on the days of their assigned car pool shifts (one day per week).

## ***Character***

Service provides the opportunity for building character; it develops leadership skills, confidence, responsibility, organization, and teamwork. It requires accountability, as ambassadors must lead with impeccable character and integrity.

**We have read and agree to adhere to the requirements described above.**
