

Morristown District Youth Ministry Festival of Gifts & Talents 2015

Our festival of gifts and talents will be held on November 8 from 4 PM until 7 PM at Trinity United Methodist Church, Morristown, Tennessee. This time of worship and fellowship will serve multiple purposes:

1. We are looking forward to hearing, experiencing and celebrating the wonderful worship offerings brought by our area churches. We are particularly encouraging churches that do not have a gifts and talents representative to come and participate. Our goal is to see 20 churches involved at this event! Remember: every church has a voice and vote in choosing our district gifts and talents representative.
2. There will also be a designated time for our youth directors and youth workers to network, fellowship, and brainstorm together about how we should go forward with district youth ministry. We will particularly examine what types of activities might be beneficial for churches both large and small in membership. At that time, we will also be taking suggestions for regular meeting times for our district youth Council.
3. We will have an intentional time of fellowship for our young people to get to know each other. This will include games, food, and a short devotional.

Note: The deadline for participation in the gifts and talents portion of this event is Sunday, October 18. Please email District Youth Coordinator, Brandon J. Moore to receive the specific details and rules for participation at mooreb@hcboe.net.
