HELPING A PRECIOUS CHILD SUCCEED IN SCHOOL!

## The Need...

Economically disadvantaged students have a very difficult time with succeeding in school. One of the most unfortunate results of their economic struggles is that students who live in poverty often do not have the basic essentials they need in order to be prepared and engaged.

Ensuring that children have the necessary supplies to participate in school can have a dramatic effect because it helps children stay in school, promotes learning, and promotes positive self-esteem.

The Fill A Backpack program at A Precious Child supplies disadvantaged and displaced children with backpacks filled with school supplies to help them be prepared to perform in school.
