

SOUTH ASIA NOW CONFERENCE

Praying. Training. Partnering. Multiplying.

April 26-28, 2015

Right *now*, before you finish reading this sentence, 17 babies will be born into a unique, richly diverse South Asian culture.

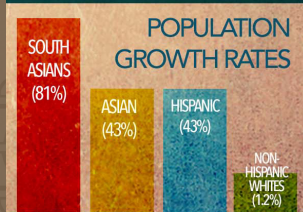

If they survive malnutrition, disease and lack of adequate medical care, these children will most likely grow up in a household of Hindus, Muslims, Buddhists, Sikhs or Jains.

Right *now*, South Asia has a larger Muslim population than the Middle East. This includes India, Nepal, Pakistan, Sri Lanka, Bhutan, Bangladesh and the Maldives. South Asia is also home to 1 billion Hindus, who worship more than 330 million gods.

Right *now*, South Asians are probably living in *your* city. You may work with them or even live across the street from them.

Come and learn how you and your church can reach South Asians — whether it's in your neighborhood or throughout the world. The South Asia NOW Conference is happening April 26-28 at Prestonwood Baptist Church in Plano, Texas.

South Asians are the **fastest growing community**, of all major ethnic groups, in the United States.

Will you be there?

The time for South Asians to hear truth is *now*.

As you finish reading this, 80 South Asians have died without knowing Jesus as their Lord and Savior.

So, what will you do **NOW**?
