

# Microsoft Learning Opportunities

## Spring 2016

### Teacher Academies

Attend a FREE Microsoft in the Classroom Workshop! Experience first-hand out Microsoft can help schools create a modern learning environment. Explore the tools, technologies and resources available for educators to bring 21st century teaching and learning to your classrooms.

### Call for Speakers

We are inviting entrepreneurs and local SMBs to attend an engaging and inspirational event in our store for National Small Business Week (May 2-7). If you are interested in being a keynote speaker at an upcoming event please connect with your local Microsoft Store Community Development Specialist.

### The Small Biz Breakfast Series

Find out how to cut costs and boost your productivity with modern tech. Inspired by [MicrosoftSavesYouMoney.ca](http://MicrosoftSavesYouMoney.ca), these small-business breakfasts offer best practices and a chance to talk shop.

### Get Office & email for less!

Tour Office 365 and find out how one affordable subscription will give you latest office apps, business-class email, cloud data storage, video conferencing & more.

### How to run a "virtual" business.

Dream of running a business from home? This presentation offers great tips and advice on how to launch and run your business, without breaking the bank.

### Upgrade your security & reduce costs!

Concerned about digital security? Looking to reduce your IT costs? Find out how platforms like Windows 10, Office 365 and Microsoft Azure can help!
