

**The Houston Big Game Fishing Club
is excited and proud to host the**

1st Annual

Ronald McDonald House

FUN FISHING DAY!

Approximately 20 children and their families will enjoy a day of fishing at the beautiful Pelican Rest Marina, fun prizes, t-shirts, yummy food, and fellowship....

AND WE NEED YOUR HELP!!

The majority of the children attending the event are burn patients undergoing treatment at the Shriners' Hospital in Galveston. We need to provide the children a shady spot to comfortably fish and enjoy their day. Please contact the Club and let us know if you have a 10x10 pop up tent that can be used for the event and returned the following week. In anticipation of a gusty day, we also need large water buckets and rope to secure the tents to the docks.

The Club will be accepting donations for the Ronald McDonald House and their guests. As mentioned, most of the children are burn patients and many of them and their families have come to the RMH with only the clothes on their backs as all of their belongings have been lost to fires. Below is a list of items that would be very helpful to the children and their families:

Paper goods and toiletries such as:

Paper towels, toilet paper, dishwasher soap, laundry soap, bath soap, shampoo, deodorant, toothbrushes, toothpaste, etc.

Non-perishable food such as:

Canned vegetables and soup, macaroni and cheese, rice, pasta, hamburger helper, snacks, etc.

Clothing:

New clothing and shoes for men, women and children

and of course, cash donations will be accepted as well.

Please deliver all donations to the Club October 10th-12th. If you need to arrange for someone to pick up your donations, please call the Club at 409-744-2307.

THANK YOU IN ADVANCE FOR YOUR GENEROUS DONATIONS TO THE RONALD MCDONALD HOUSE.
