

2015 CHAMBER BUSINESS WORKSHOPS

“Profit Improvement Strategies – Increasing Cash Flow” will be the subject of a small business workshop to be hosted the Genesee County Chamber of Commerce on October 14.

This is the eighth in a series of business workshops for 2015 held in conjunction with the United States Small Business Administration and the Genesee County Chamber of Commerce. The workshops are open to all Chamber and non-Chamber businesses and their employees and will offer expert advice from experienced business professionals designed to help small businesses succeed and grow.

“All small business owners would like to see their profits increase and cash flow improve,” said Tom Turnbull, Chamber President. “In this workshop, participants will learn how to make changes that move profits right to the bottom line and free up cash immediately.”

The final workshop on the 2015 schedule, “Customer Service That Wins Sales”, will take place on November 17. A complete schedule of 2016 small business workshops will be announced at that time.

All workshops will be held at the Chamber of Commerce office, 210 East Main St., Batavia. The sessions will run from 7:30 a.m. to 9 a.m. Businesses may attend any one or all of the workshops. Cost for non-Chamber members is \$10 for each attendee. Chamber members may attend all sessions free of charge but must make reservations to insure space for their employees.
