RE: **Discounts/Deals Request for Incoming Sports teams Groups, Conferences and Attraction/Hotel packages.**

Each year, the Chamber is involved with welcoming thousands of incoming visitors who come here for sporting events, meetings/conventions/getaway packages and more. These groups look forward to visiting our area and exploring our community.

To assist these visitors with dining, shopping and attractions information, the Genesee County Tourism Promotion Agency is collecting discounts and deals from area businesses that would like to capture more tourism-related spending.

The deals will be collated and a sheet of discounts will be provided to incoming groups as well as be promoted through our online and print efforts. The visitor will be required to present the discount offer to you.

To be included on this free promotion, please fill out the participation form on the next page. You may select which types of groups you would like to make a special offer to.

Please return to the Chamber office by Friday, October 30, 2016. Please contact Kelly Rapone should you have any questions.
