OVER

90,000 visitor guides will be produced for year-round distribution:

The visitor guides are primarily distributed in area hotels and major tourist attractions (throughout WNY), information centers along the NYS Thruway and other state-wide visitor centers, ordered by AAA/CAA agencies throughout the northeast and Canada. The guides are sent to all visitor and relocation inquiries. We also drop in the local market to Genesee County households each spring.

- **Digital (page by page turn) Guide** also available on our tourism web site home page <http://digital.turn-page.com/i/631203-genesee-travel-guide-2016>

Complimentary to guide advertisers only:

30,000 black & white county /city tablet maps will be produced on tear-off sheets to coincide with the visitor guide. Only those who advertise in the guide will be plotted and labeled on the tear-off maps. These are used at hotel front desks, area gas stations, and area businesses who request a supply for customers.
