

## Roll Up Rice Krispies Bars

1-10oz. bag of marshmallows

¼ c. butter

1 1/3 c. chocolate chips

¼ c. peanut butter

5 ½ c. Rice Krispies

¾ c. butterscotch chips

Melt marshmallows, peanut butter and butter together. Pour mixture over the Rice Krispies. Spread Rice Krispies mixture in a greased jelly roll pan. Melt the chocolate chips and butterscotch chips together. Spread over the Rice Krispies and roll up into a log. Refrigerate for two hours, then slice.

**NOTE:** When I roll these up, I roll from the wide side, not the narrow end.
