## 2014 Honoree

Robert Bresnahan, our 2014 honoree, is a Vice President, Wealth Management Advisor at Merrill Lynch. He is a Certified Financial Planner with over 32 years of experience. Robert and his team work with a select group of high-net-worth individuals, entrepreneurs and corporate executives in the development and coordination of customized financial strategies. Robert has been a member of our Golf Committee since its inception. He is always willing to go the extra mile to support NIS. Many of Robert's business associates and friends are regulars at our outings. Robert and his wife Kathy reside in Kings Park and have three children.

## Our Story

The New Interdisciplinary School was founded in December 1976 by parents, community members and staff who believed in the rights of:

- Children to grow and learn in a supportive, responsive environment.
- Parents to have a voice in their children's education.
- Staff to flourish in an atmosphere of academic and intellectual freedom.

In July 1977 NIS received New York State Education approval as a program for the education of preschool children with disabilities from birth to 5 years of age. On August 1, 1977, NIS officially opened its doors at 1 Scouting Boulevard, Medford.

The name "New Interdisciplinary School" was chosen to describe the integration of a team of professionals from a variety of disciplines. This team approach along with a partnership with parents forms the basis for providing a comprehensive program.

On October 19, 1995, we opened a state-of-the-art building in Yaphank. The programs have expanded to include child care, nursery school, universal pre-kindergarten (UPK), and inclusion classes for children with and without disabilities.
