

# Collaborative Stage Transition Newsletter: Brief Update

## July 1, 2014

The SEER 2014 Training Assessment for TNM Staging will open **July 7, 2014!** This important study will provide information on training needs as we move to TNM staging, provide a baseline to evaluate the effectiveness of training materials that are developed and to collect data to evaluate the impact of TNM staging on incidence trends over time.

**Free CEUs** will be awarded for the review and assignment of TNM to 10 cases with an option to complete 10 additional cases. All registrars in the US and Canada are invited to participate.

To sign up for the study, please visit <http://reliability.seer.cancer.gov>. You will need to create a new account to get started.

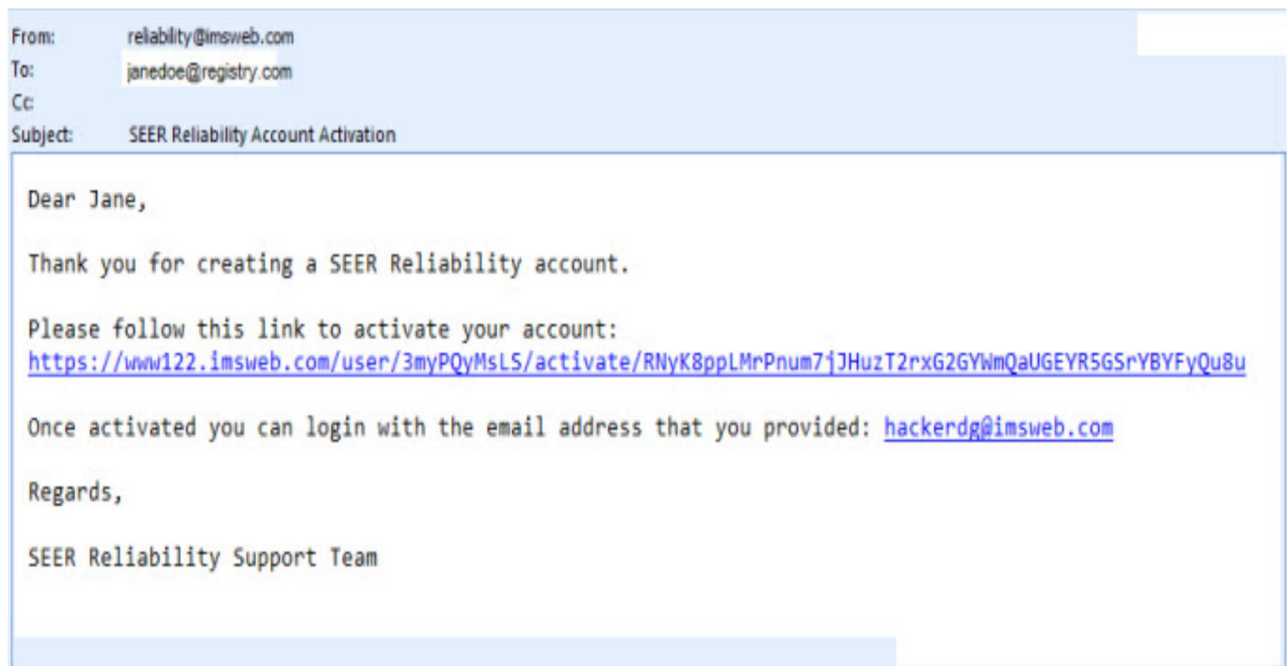

Please email [reliability@imsweb.com](mailto:reliability@imsweb.com) for technical questions and Annie Noone ([noonea@mail.nih.gov](mailto:noonea@mail.nih.gov)) for study related questions.
