| 8:00-9:10 a.m. | Managing the High-Risk ACS-PCI Patient: Discussions in the Clinical Care Continuum  
  *This talk is non-CME*  
  Joseph K. Choo, MD, FACC |
| 9:10-9:15 a.m. | Welcome & Meeting Introductions  
  Paulette Wehner, MD, FACC |
| 9:15-10:00 a.m. | TAVR: Insight from the Author of the TAVR Expert Consensus Document  
  David R. Holmes, Jr., MD, FACC |
| 10:00 a.m.-12:00 noon | Fellow-in-Training Session: Next Steps in a Cardiology Career  
  A special session for fellows-in-training. You will not want to miss important information about taking the next step in your cardiology career. Find out how to evaluate practice culture, clinical practice style, financial and business aspects of the practice, employment agreements, practice governance, management, risk management, partnership opportunities, how to select a geographical location, private practice vs. academe, what is the right salary, what to include in your CV, what questions to ask in an interview, what benefits to expect, and more.  
  Patrick White, President, MedAxiom |
| 10:00-10:45 a.m. | Endovascular Intervention: Update on Current Trends and Future Innovations  
  Mark C. Bates, MD, FACC, FACP, FSCAI, FSVM |
| 10:45-11:15 a.m. | Break, Posters, Exhibits |
| 11:15-12:00 noon | Adapting Cardiology Practice to Recent and Future Health Care Legislation  
  David R. Holmes, Jr., MD, FACC |
| 12:00-12:45 p.m. | Lunch and Exhibits |
| 12:00-12:45 p.m. | Networking Luncheon for Cardiac Care Associates |
12:45-1:45 p.m.  CVD Risk Reduction and Lipid Management: State of the Science in HDL Therapy
   A CME-certified Program presented in conjunction with PCME and Rockpointe and supported by an
   independent educational grant from Genentech, a member of the Roche Group.
   Stephen R. Grubb, MD, FACP and Peter R. Toth, MD, PhD

1:45 - 3:15 p.m.  Fascinating EKG Interpretations:
   Spotlight on the Cardiovascular Training Universities in WV

   1:45-2:30 p.m.  Marshall University Case Presentations
   Esam N. Baryun, MD

   2:30-3:15 p.m.  WVU Case Presentations
   Wissam Gharib, MD, FACC

3:15 p.m.  Announcement of Poster Winners
Program Director

Paulette S. Wehner, MD, FACC
Professor of Medicine
Program Director, Adult Cardiovascular Fellowship Training Program
Senior Associate Dean for Graduate Medical Education
Joan C. Edwards School of Medicine, Marshall University
President, West Virginia-ACC
Huntington, WV

Program Committee

David Adkins, MPAS, PA-C
Physician Assistant
Office of Scott Miller, MD, FACC
Charleston, WV

S. Shawn Groves, MD, FACC
Associated Cardiology of Charleston
CAMC
Charleston, WV

Steven L. McCormick, MD, FACC
Cardiologist
Charleston Area Medical Center
Immediate Past Governor, West Virginia-ACC
Charleston, WV

Robert C. Touchon, MD, MPH, FACC
Health Right Prevention Program
Charleston, WV

Beth Ann White, RN, MSN, NP-C, AACC
West Virginia Heart and Vascular
South Charleston, WV
President
Paulette S. Wehner, MD, FACC

Immediate Past President
Steven L. McCormick, MD, FACC

Secretary-Treasurer
Mohammad B. Yousaf, MD, FACC

Executive Director
Gwen J. Goldfarb

Marshall University
Mehiar El-Hamdani, M.B., B.Ch., FACC

West Virginia University
Wissam Ghanib, MD, FACC

District 1 – Wheeling-Parkersburg
Robert J. Fanning, Jr., DO, FACC
Richard F. Terry, MD, FACC

District 2 – Clarksburg-Martinsburg-Morgantown
John A. McKnight, MD, FACC

District 3 – Charleston
Samuel Shawn Groves, MD, FACC
David L. Namay, MD, FACC

District 4 - Huntington
George J. Linsenmeyer III, MD, FACC

District 5 – Beckley-Bluefield-Lewisburg
Patrick L. Brown, MD, FACC

Cardiac Care Associate Committee Chair
Beth Ann White, RN, MSN, NP-C, AACC

Fellow-in-Training Representatives
Christopher Adams, MD
Ahmad Arham, MD
Mark C. Bates, MD, FACC, FACP, FSCAI, FSVM
Professor of Medicine and Surgery
Co-Director and Founder CAMC Vascular Center of Excellence
West Virginia University School of Medicine
Charleston, WV

Esam N. Baryun, MD
Electrophysiologist
Huntington, WV

Joseph K. Choo, MD, FACC
Interventional Cardiologist
Ohio Heart & Vascular
Cincinnati, OH

Wissam Gharib, MD, FACC
Director
Cardiac Catheterization Laboratory
Associate Professor of Medicine
WVU Heart Institute
Morgantown, WV

Stephen R. Grubb, MD, FACP
Department of Medicine
WVU/Charleston Division
Charleston, WV

David R. Holmes, Jr., MD, FACC
Professor of Medicine
Mayo Clinic College of Medicine
Consultant, Division of Cardiovascular Diseases and the Department of Internal Medicine
Mayo Clinic
Immediate Past President, American College of Cardiology
Rochester, MN

Peter R. Toth, MD, PhD
Director of Preventive Cardiology
Sterling Rock Falls Clinic, Ltd.
Sterling, IL
Clinical Professor
University of Illinois College of Medicine
Peoria, IL

Patrick J. White, MPH
President
Medaxiom, Inc.
South Lyon, MI
Visit [http://accww.org/17.html](http://accww.org/17.html) for submission details.

Who Can Participate

1. Fellows-in-Training
   All current West Virginia fellows in a cardiology training program are invited to present their research (past or present) during the poster session, scheduled for Saturday, November 10. Eligible posters may present recent data, case study* or information that has been presented previously at a local or national meeting. The accepted abstracts will be presented as posters and judged at the poster presentation on Saturday, November 10. There are cash prizes for winners!

2. Internal Medicine Residents
   All current West Virginia internal medicine residents are invited to present a cardiovascular case report during the poster session, scheduled for Saturday, November 10.

   *If you submit a case study:

   1. Case reports should be of a rare, unusual, or unexpected finding in a patient;
   2. The diagnosis should be known or the workup as complete as possible (all evidence as to the diagnosis should be included);
   3. There should be a brief review of the literature including numbers of patients with similar findings/outcomes, risk factors, how it has been evaluated/treated, and outcomes where known;
   4. The case should include as much follow-up as is available;
   5. Pathology slides and supporting evidence should be included.
Statement of Need

Cardiovascular (CV) disease is the leading health care problem throughout the world. In the United States alone, an estimated 70 million people have been diagnosed with one or more forms of CV disease, and over 910,000 Americans die from CV disease each year. The cardiac care team is increasingly asked to develop systems of care, the methods for which are not necessarily part of the traditional medical training. We are asked to do this better, faster, more efficiently and at a lower cost.

Overall Goal

Physicians and Cardiac Care Associates are required to maintain up-to-date knowledge of the latest clinical developments in the practice of cardiology to improve patient outcomes. The goal of this program is to improve the competency of the health care team in the practice of cardiology and to facilitate the transfer of knowledge into practice.

Learner Objectives

Upon completion of this program, participants should be able to:

- Discuss the newer available therapies for aortic valve disease, including TAVR, and appropriately refer patients for these treatments.
- Address new endovascular technologies and indications for treatment of aortic aneurysm and peripheral vascular disease.
- Review the importance of the cardiovascular quality indicators and appropriate use criteria as it pertains to the health care provider’s practice and recognize the impact of Health Care Reform legislation on the practice of cardiology.
- Recognize and interpret both common and unusual ECG and rhythm strip tracing.

Target Audience

Adult Cardiologists, Pediatric Cardiologists, Cardiothoracic Surgeons, Cardiology Fellows-in-Training, Internal Medicine Physicians, Family Physicians, Private Practice Physicians, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists

Disclosure & COI Policy Statement

Committee members, faculty, staff and other individuals who are in a position to control the content of this activity are required to disclose all real or apparent conflicts of interest. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, patient care and safety recommendations. Full disclosure will be published in the syllabus.

Accreditation

Physicians
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the CAMC Health Education & Research Institute and the West Virginia Chapter of the American College of Cardiology. The CAMC Health Education & Research Institute is accredited by the ACCME to provide continuing medical education for physicians.

The CAMC Health Education & Research Institute designates this live educational activity for a maximum of 3.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

Nurses
CAMC Health Education & Research Institute is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The CAMC Health Education & Research Institute designates this educational activity for a maximum of 3.75 continuing education hours. Requirement for successful completion is attendance at the program in its entirety and completing the evaluation tool.

While offering CME and CNE credits noted above, this program is not intended to provide extensive training or certification in the field.

Accreditation information for the one-hour talk entitled CVD Risk Reduction and Lipid Management: State of the Science in HDL Therapy

This live activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Potomac Center for Medical Education and Rockpointe. The Potomac Center for Medical education is accredited by the ACCME to provide continuing medical education for physicians.

Physicians – The Potomac Center for Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

In order to successfully complete this activity, participant must complete an evaluation. Certificate of credit will be sent in the mail within 4 weeks.

Nurses – This educational activity for 1.0 contact hour is provided by Global Education Group. For information about the nursing accreditation of this program, please contact Global at inquire@globaleducationgroup.com or 303-395-1782.

Acknowledgment

At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgment will be made upon confirmation of support and at the time of the program.
REGISTRATION
You may register online at www.accwv.org. The registration fee for the meeting includes continental breakfast, break and lunch.

- West Virginia-ACC Physician Member ...........................................$60
- Cardiac Care Associate (RN, APN, Pharmacist, PA) ..................$25
- Practice Manager .......................................................................$25
- Non-Member Physician .................................................................$75
- Fellows, Residents, and Students ............... FREE with pre-registration

CANCELLATIONS
Cancellation requests must be received by November 2, 2012. No refunds will be made after that date.

MEETING LOCATION
The Charleston Marriott Town Center
200 Lee Street East
Charleston, WV 25301
(304) 345-6500

ACCOMMODATIONS
Call the hotel at 304-345-6500 by October 19, 2012, to receive the special WV-ACC rate of $109 + tax/night.

QUESTIONS? CALL 304-837-2223 OR WVCHAPTERACC@GMAIL.COM.
Please return registration form to:
