

## *Where's Wayne?*

### **Thomas P. Hinman Dental Meeting**

March 26 – 28, 2015 ♦ Atlanta, GA

#### *Presentation Schedule*

### STUFF WORTH KNOWIN' ABOUT MONEY, PRACTICE AND LIFE

---

3/26/2015 – 8:00 AM – 11:00 AM – Course #Th304

3/28/2015 – 8:30 AM – 11:30 AM – Course #Sa366

It has been said that “growing old is a given, but growing wise is an option.” This presentation will be filled with contemporary, pertinent and useful information regarding financial management, clinical practice and life. Participants will improve their chances for financial success; review and evaluate current restorative materials, devices and clinical techniques; and consider serious life challenges. We will not only discuss protecting your loved ones, but also explore fifteen ways to love life more. Information (and homework) from this course will inspire participants, and could even change their lives.

### TEN THINGS...!

---

3/26/2015 – 1:00 PM – 2:00 PM – Course #Th325

3/28/2015 – 2:00 PM – 3:00 PM – Course #Sa385

Designed to enhance the skills of not just the dentist but the entire clinical team, this presentation examines some of the challenges dental teams face daily and describes solutions to improve chairside efficiency using a number of the most cutting edge products and techniques available in today's market. Participants will learn how to obtain detailed alginates, create custom acrylic temporaries faster, achieve tighter Class II contacts, stabilize broken teeth within minutes, and restore Class V lesions more easily.

### NOW WHAT?!?

---

3/27/2015 – 9:00 AM – 12:00 PM – Course #Fr226

Have fun resolving 20 clinical and practice-management scenarios in this interactive workshop. Participants will learn from each other as they propose solutions to the real life issues we face in our practices almost every day. Dr. Kerr will draw on more than 37 years of private practice experience to lead a discussion of common problems and inventive solutions. Come prepared to share your ideas and think outside the box.

### BUILDING A BOOMING BUSINESS!

---

3/27/2015 – 2:00 PM – 5:00 PM – Course #Fr269

Dentists are typically well prepared to provide patient care through excellent clinical training, but grossly unprepared to own and operate a small business. With more than three decades of small business ownership as a private, fee-for-service practitioner, Dr. Kerr has experienced – and solved – many of the chronic problems that dental practices face. Participants will learn valuable real life lessons and management tips in this dynamic and fast-paced program that will touch on many of the skills necessary to operate a practice successfully.
