# ELECTIVES DESCRIPTIONS

## *Adventures with Robots*

*By RobotCity Workshop*

**MON | Grades 3—5 \$206**

Our future still needs more builders, engineers, programmers and roboticists. Continue with a new quarter at Audubon featuring all new take-home projects each child builds and keeps! Enroll your child with RobotCity Workshop afterschool program and spark an interest in general science, technology and robotics with hands on projects! Each quarter will feature new activities and different DIY projects students take home to keep. Join RobotCity, where children learn, have fun and build their own friends.

## *Amateur Basketball*

*By We Got Game*

**FRI | Grades 2—4 \$136**

This program will prepare players for team play by introducing and enforcing the rules of the game. Triple threat position, using an aggressive first step, team defense, and methods of conditioning will be the focus of instruction. All classes will end with a scrimmage to give players the feel of a game.

## *Chess Scholars*

**THU | Grades K—8 \$111**

No previous knowledge of chess is necessary. Each class will consist of a fun interactive teaching period and guided practice time. Both new and returning participants are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes and a pizza party at the end of the session! Each child will receive a participation award and a chess keychain.

## *Cooking By The Kids' Table*

**TUE | Grades K—5 \$300**

The Kids' Table cooking programs are coming to Bell! Guided by our chef instructor, kids get to chop, grate and roll their way to a different delicious dish each week. Students enjoy the fruits of their labor at the end of each class, and get the recipe so they can recreate the dish at home.

## *Fun With Robots*

*By RobotCity Workshop*

**MON | Grades K—2 \$206**

Our future still needs more builders, engineers, programmers and roboticists. Continue with a new quarter at Audubon featuring all new take-home projects each child builds and keeps! Enroll your child with RobotCity Workshop afterschool program and spark an interest in general science, technology and robotics with hands on projects! Each quarter will feature new activities and different DIY projects students take home to keep. Join RobotCity,

where children learn, have fun and build their own friends. **Grades 3—5 \$206**

## *Girl Power Yoga*

*By Mission Propelle*

**TUE | Grades 1—5 \$165**

Mission Propelle empowers girls in elementary school to discover who they are, what they believe, and how to advocate for themselves. We accomplish this through an after-school program that combines yoga, reading, and mentoring. In each one-hour class, girls develop mindfulness and self-confidence as they practice yoga. They learn how to solve problems by reading original storybooks starring Dottie Tov, a relatable and age-aligned female protagonist. Throughout class, girls learn to apply leadership skills in their everyday lives as they receive situation-based mentorship from trained instructors.

## *Happy Hands Mixed Media*

*By Unicoi Art Studio*

**FRI | Grades K—2 \$165**

Your child will explore a wide variety of subjects from rockets and robots to famous artists by learning to paint, draw, collage and sculpt. Tactile materials like clay, wax strings, oil pastels and acrylic paints will help your child enjoy learning the basic principles of art and invite them to think creatively with a new project each week.

## *Hip Hop By Design Dance*

**THU | Grades K—2 \$144**

This Hip Hop is perfect for the young, energetic dancer! Learn basic hip hop technique in a fun, encouraging environment. Dancers will practice choreography to upbeat music while improving upon rhythm, flexibility, coordination, and improvisation.

## *My Art Gallery Sketchbook*

*By Unicoi Art Studio*

**MON | Grades K—2 \$185**

Create a collection of work and explore a new book theme each session. Here are just a few of the sketchbook titles: "Fantasy", "Seasons", "The Me Book", "Adjectives" and "Animals". Paintings, drawings and collages related to the theme are mounted into a large presentation book to store and enjoy.

## *Rookie Multi-Sport*

*By We Got Game*

**TUE | Grades K—2 \$170**

This class features a new sport or game every 2 weeks. Our schedule of sports this session include:

Week 1,2- Basketball

Week 3,4- Soccer

Week 5,6- Floor Hockey

Week 7,8- Capture the flag/running games

Week 9,10- Players' choice

Players will build on large motor, hand eye and coordination throughout the session.

## *Pre-Engineering using*

*LEGO By Play-Well TEKnologies*

**TUE | Grades K—1 \$183**

Let your imagination run wild with tens of thousands of LEGO®! Build engineer-designed projects such as boats, bridges, mazes and motorized cars, and use special pieces to create your own unique design! Explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. This is an ideal way to prepare young builders for the challenge of Engineering FUNDamentals.

## *SmArtist Artist*

*By Unicoi Art Studio*

**FRI | Grades 3—6 \$165**

This class will focus on famous artists, artistic styles and important periods in art. Your child might paint a mini Impressionist painting, sculpt a bold Modern work of art or recreate classical studies from the Renaissance period. If your child wants to expand their knowledge of art history, then this is the class for them.

## *Spanish Club*

*By Instituto Cervantes*

**MON | Grades 1—3 \$175**

**WED | Grades 4—6 \$155**

Immersive and enrichment program that will develop the students' ability to understand, speak, read, and write in Spanish. Communication is the objective of the class. Students will use Spanish actively to interact with other students. Grammar will be used as a tool to reinforce students' language skills. Exposure to Spanish and Latin art, culture and geography.

## *Tae Kwon Do*

*By The Peace School*

**WED | Grades 2—8 \$137**

Register today for this popular course conducted by Head Instructor Greg Garrett of The Peace School, who has more than 30 years teaching experience and is in his fourth year of conducting this program at Audubon. Students gain confidence, discipline, coordination and strength of mind and body. Class begins with yoga and breathing to prepare students for the more vigorous martial art and self-defense moves. A practical, professional and fun course!
