

# **A SATURDAY MOTHERS DAY GATHERING**

Mills Park at Marion in Oak Park | May 7, 2016\* at 11 am

This year start a day early and add a little peace to your Mother's Day weekend. Bring your mother, your children, brother, spouse or friends and show the world that mothers (and those who support them) are serious about making the world a peaceful place.

- Learn about the original 1870 Mothers Day Proclamation recognizing mothers as peacemakers
- Open mic – songs and words of peace and strong women (share your favorites)
- OPPL Book Bike – live story time and peace books to check out on the spot (bring your library card)
- Peace flags to make, take and hang at home
- Be part of a new tradition – The Oak Park Mothers Day flower give-away

Organized by Mothers and Others for Peace

Sponsored by the League of Women Voters Oak Park and River Forest
