Tired of cronyism, corruption and busted budgets in Illinois? Don't miss...

Straightening Out Our Broken Electoral System:

Putting an End to Gerrymandering with the **Independent Map Amendment Campaign**

Illinois Ballot Integrity Project presents a free public forum

Wednesday, November 11, 2015, 7 pm

Oak Park Dole Branch Library

255 Augusta, Oak Park, Illinois

Featuring:

Chris Butler, Field Director of the Independent Map Amendment Campaign

Jan Goldberg, League of Women Voters

Find out how the Independent Map Amendment will reform the redistricting process and set up Illinois House and Senate districts drawn without regard to incumbency or partisanship; encourage more candidates and real competition for General Assembly seats; protect the voting rights of racial and ethnic minorities; respect communities with shared interests; and allow for transparency in redistricting.

Find out about additional initiatives to clean up Illinois politics .

Find out how you can take part in this campaign to clean up Illinois politics.

For more about the Independent Map Amendment Campaign, see: <http://www.mapamendment.org/index.html>

Q & A will follow the presentation. Light refreshments will be served. Free and open to the public.

Count every vote – Make every vote count
