**ROCKLAND, MA** - R. Todd Guyette, Principal and owner at Colburn & Guyette has stepped down from his position as Chairman of FCSI's New England Chapter.

"The New England Chapter has come a long way in the decade plus that I've been Chair and I'm glad to have been a part of it, but it's time to give someone else a shot at the helm".

Indeed, Todd has had many accomplishments over the past 13 years, the most notable being the formation and yearly execution of the chapter's annual Holiday Social which takes place every year around the holidays and benefits the Greater Boston Food Bank. "It's become a staple of the holiday season for the FCSI community and it's nice to know that I'm leaving something like that behind". Todd will remain active in FCSI at a National Level as he maintains his position as Chairman of the Ethics Committee and as Trustee on the Board of Education Foundation.

Edward Arons, a long time professional member of FCSI and senior associate at Colburn & Guyette has been appointed to replace Guyette as Chairman. So far this has proven to be a good fit as Arons hit the ground running, offering his assistance with the 40<sup>th</sup> Annual joint golf outing hosted by both the New England chapters of FCSI & MAFSI. After enlisting the help of the Chapter's new secretary, Chandra Comfort, both attendees and sponsorships have hit an all time record, reaching numbers not seen before in the 40 years this event has been held.

We are sad to see Todd go but look forward to what Ed will bring to the table.

Ed can be reached at (781) 826-5522

Other chapter news includes the appointment of Chandra Comfort, Marketing/Finance Coordinator at Colburn & Guyette as the chapter secretary and Tom McArdle, Principal of TJM Consulting based out of Yarmouth, ME will continue on as the chapter's Treasurer.
