

FCSI SUPER REGIONAL GRANTS

SPONSORED BY ICON

FCSI The America's ICON committee would like to offer 10 Complimentary Registrations, a value of \$189, to help defray the cost of attending the 2013 Super Regional events. The intent of this grant is to encourage younger, emerging consultants to attend the meetings so they can expand their knowledge and networks and become actively involved in the Society.

Those eligible for the grants include non-FCSI members and Associate members of FCSI demonstrably at the beginning of their careers in the foodservice and hospitality consulting profession (less than 5 years).

To obtain an application please contact Kayla Saal at kayla@fcsi.org. Return this application to Kayla by July 31, 2013. The ICON committee will select the first ten (10) qualified recipients. If there is an overwhelming interest, the committee will consider additional registrations.

In return for the complimentary registration, the recipient will be required to write up a short summary of what they learned at the Super Regional and how it will benefit them in the future. This will be published on the FCSI ICON Linked-in page and Twitter accounts and may also be used in FCSI printed materials.

To apply, please complete the attached application and return to:
