

Back in January 2006 Pilates Plus of Schaumburg opened it's doors near Roselle and Wise. Then in April of 2008, Pilates Plus moved to our current location. Both events and everything in between then and now has been an exciting, growing and learning experience. Change is definitely a part of life! It's time to embrace another change that we are VERY excited about.

As of Monday, March 7, 2016 Pilates Plus will be moving and holding classes in a new, boutique, residential location 3 blocks from our current location. Our new setting is perfect for Private Coaching and small group classes (3-5 participants) limited to Pilates, Yoga, Meditation, Tabata Boot Camp and other special small group experiences/workshops. Special events will be listed on our website and blasted out via social media so be sure to read!

I invite each and every one of you to join us in our beautiful, brand new environment. There are some wonderful new experiences in store for 2016. To accommodate anyone who chooses a different path, we will allow a pro-rated amount on any auto pays through March 6, 2016 and waive all early termination fees. The attached form **must be signed by you and returned** to our studio **no later than February 27th, 2016 or regular policies apply**. **Anyone with active class packs on an active account (regular activity in last 3 months) will also need to fill out the form. Any unused classes as of March 6, 2016 will be refunded to the address in your profile. Please make sure to log into your account and make sure everything is correct.**

I'm excited to announce the following payment structure: Private Coaching Packages & Small Group Classes only. **All Pilates classes will utilize the Pilates Reformers.** We will only allow 3-5 people in each class. On-line registration will indicate if there are any spots left. This will be on a first come, first served basis and you can waitlist if necessary and you will be notified by email or text telling you that you can attend.

As of March 7, 2016:
