In recognition and appreciation of their obligations to clients, customers, the public, and each other, REALTORS® continuously strive to become and remain informed on issues affecting real estate and, as knowledgeable professionals, they willingly share the fruit of their experience and study with others.

All active REALTOR® members must take a code of ethics class sometime between January 1, 2012 and December 31, 2016. Failure to meet the mandate is a violation of membership requirements and will result in suspension of membership until the requirement is met or until membership is automatically terminated. This class meets the NAR mandated requirement for completion of a Code of Ethics class
