

**PLEASE JOIN US FOR A FORWARD-LOOKING
DIALOGUE ABOUT TAKING ACTION TOWARDS
CLIMATE CHANGE SOLUTIONS**

**GLOBAL CLIMATE CHANGE:
NO LONGER TOMORROW'S CHALLENGE**

MONDAY APRIL 6, 2015 @ MASON

Guest Speaker: U.S. Representative Gerry Connolly

Co-chair of the House Sustainable Energy and Environment Caucus, Rep. Connolly (D, VA 11th District) represents Mason and is an advocate for protecting the environment and investing in clean and renewable energy.

Strategy Session

Afterwards, grab a slice of free pizza and continue discussing ways you can make a difference individually and collectively on this issue with representatives from the following collaborating environmental and political organizations:

- » Mason's Office of Sustainability and Green Patriots
- » Sierra Club
- » Faith Alliance for Climate Solutions
- » Environment Virginia
- » Fairfax County Democratic Committee National Affairs Committee
- » Mason College Democrats
