

BEHAVIORAL HEALTH CLINICIAN

Build YOUR career! Family Continuity is rapidly expanding its energetic workforce to lead fast paced, innovative, clinical programming throughout Massachusetts. Our mission for over 30 years is to *support family success in every community by empowering people, enhancing their strengths, and creating solutions through partnerships to achieve hope, positive change and meaningful lives*. This is evidenced by our quality work with clients, and a strong commitment to our employees. At Family Continuity, we value your dedication and hard work, and give you the tools and experience needed to succeed and become a leader in the clinical field.

Join a team that has:

- **New salaried clinical positions for In Home Therapy**
- Extremely competitive reimbursement rates for all clinical positions
- Flexible schedules and innovative payment models based on your needs
- Significant salary differential for BILINGUAL Masters Level Clinicians
- Reimbursement for clinical licensure or re-licensure
- Supervision for licensure and in-house training for CEUs
- Employee referral bonuses
- Led the state in worker safety training
- Health and wellness benefits
- A strong reputation in the field with a friendly, collaborative, transparent leadership philosophy and work culture

Position Description:

Due to expansion, Family Continuity is hiring for multiple clinical positions in a variety of programs including supervisory staff. Building on our treatment philosophy that positive change is always possible, our Behavioral Health Clinicians provide a wide range of strength-based clinical treatment and care coordination services to children, youth, adults, families, and groups with varied needs. With a diverse portfolio of over 30 clinical and family support programs, our clinicians and counselors have the opportunity to work in a variety of settings including: schools, primary care practices, residential settings, client homes, in the clinic or at any of our community partner sites.

Position Requirements:

- Master's degree in Social Work, Counseling, Psychology, Family Therapy or similar degree with license eligibility (LICSW, LMHC, LMFT)
- Reliable transportation and ability to travel within the community
- Computer proficiency
- Access to personal cell phone
- Ability to work flexible hours, including evenings
