**About Our Farm**

Our 120-acre farm lies nestled in the hills of Athens County. Beginning in 1997, and continuing to the present, the farmers of Green Edge seek innovative ways of expanding the availability of year-round organic produce to the residents of both Athens County and the greater Columbus area. Community Supported Agriculture is a way for all of us to have a direct relationship with one another through your seasonal purchase of fresh, organic produce. It is a great way to support our local economy and the sustainability of our area, and to receive delicious, nutritious, organic vegetables at the height of their growing seasons.

**About Our Winter 2013 CSA Program**

When you join our Winter 2013 CSA, you will have a chance to experience the whole array of our produce throughout the winter and spring months. The Winter 2013 CSA program will run December 5 through May 1 (with no delivery Dec. 26 or Jan. 2): 20 shares for Full Share Members; 10 for Half Share Members. Please keep in mind that we have a limited number of shares available for this season, filling them on a first-come, first-served basis. We encourage you to contact us with any questions and sign up as soon as possible to secure your share of wonderful food.

**How Do I Enroll?**

Signing up for the CSA is as easy as picking which share you would like, choosing a pickup location, filling in your contact information and mailing the completed form and your non-refundable $100 deposit to the farm, 16232 Henry Road, Amesville, OH, 45711.

**About Our Partners**

**New for Winter 2013: High Bottom Farm** is providing free-range eggs for our CSA. These chickens are outdoors on pasture with a 3-acre field for every flock. Their feed ration (other than the pasture) is GMO-free, with no hormones or antibiotics. A full egg share is one dozen eggs per week.

Neil Cherry of **Cherry Orchards** is a fourth generation orchardist who takes great care in growing the finest quality fruit. The Winter Apple Share starts in December with varieties including Roman Beauty and Mutsu, and finishes at the end of March with Fuji, Gold Rush and Melrose. Because apples are grown in the fall and stored, the flavors change slightly throughout the delivery season. This fruit, as most grown in Ohio, is not organic.

**Village Bakery and Cafe** is bringing variety back in our bread share! For winter, this wonderful Athens bakery will be offering a variety of their incredible breads, using ingredients from local family farms. The bread variety will change each week throughout the season and may include such varieties as the Honey Oat or Bavarian Rye.

**Snowville Creamery** milk comes from local farms, and, although it is not organic, the freshness and flavor of the milk speaks for itself. The milk is pasteurized at the lowest legal temperature to preserve the nutrition and is not homogenized, so the cream is on the top. You choose which type of half gallon: Whole, 2% or Non-Fat Milk.

**Integration Acres** offers a variety of farmstead goat cheeses, and artisan cow cheeses made with Snowville Creamery milk. Integration Acres makes their farmstead cheeses from the milk of their Nubian, La Mancha and French Alpine goats. All cheeses are hormone-free.

**Sticky Pete’s** Pure Maple Syrup, a 1,700 tap maple sugaring operation in southeastern Ohio, was begun in 1996 by John Berry and Laura McManus and their faithful dog Pete. Their maple syrup is handcrafted and they are committed to making your day naturally sweeter! A monthly delivery of 8 oz. of maple syrup will be part of the **Sweet Share**.

For over 40 years, **Cantrell Honey** has been producing delicious local honey from their hives, located in the hills of Athens county. You can find their sweet product in many of our local groceries as well as the Athens Farmers Market. Members who sign up for the **Sweet Share** will receive 12 oz. of honey once per month.
THE SHARE OPTIONS

The Veggie-Only Share
- This includes a selection of our farm-grown organic vegetables and mushrooms delivered every week for 20 weeks.
- Full shares are delivered every week for a total of 20 weeks; half shares are delivered every other week for a total of 10 weeks.
- For information on what will be included throughout the winter, check out the Harvest Schedule.

The Combination Share
- This includes the same array of our organic vegetables and mushrooms, plus a selection of apples from Cherry Orchards, a loaf of bread from The Village Bakery, Integration Acres cheese, a half gallon of Snowville Creamery milk, and one dozen eggs from High Bottom Farm.
- Full shares are delivered every week for 20 weeks (the fruit shares are only included for 16 weeks); half shares are delivered every other week, for a total of 10 weeks (fruit is included for 8 weeks).
- This does not include the sweet share.

À La Carte Partner Items
- Please note that in order to add one of the partner items, you must also enroll for a (half or full) veggie share.
- A full share of bread, cheese, eggs, or milk is delivered weekly (20 weeks total). A full fruit share is delivered for 16 weeks.
- A half share of bread, cheese, eggs, or milk is delivered every other week (10 weeks total). A half share of fruit is 8 deliveries.
- The sweet share, 8 oz of maple syrup and 12 oz of honey, is delivered once per month, for a total of 5 deliveries.
