### **Shirkey Nursing and Rehabilitation, The House of Hope and Shirkey Hospice and Palliative Care ~Annual After Hours Hog Roast~**

Was held on May 22nd at the 19th Hole. The sponsors were there to meet you as you came in the door with a smile on their face. Lots of new people to the Chamber were in attendance this year. The hog was expertly prepared by long time Chamber member Nadler's. The side dishes were prepared by the generous volunteers of the House of Hope along with the desserts. This event has proven to be the BEST After Hours that the Chamber hosts each year. This event is a terrific opportunity to

network and fellowship with members of our community. The weather was cooperative enough that the crowd was able to spill over onto the veranda at the beautiful golf course. If you have never attended this event before, make sure that it's on your list for next year. Thank you to the sponsors for a GREAT yearly event! Pictured left are

A Word From Our President

Dear Chamber Members,

At the time of my writing we are right in the middle of some very wonderful holidays: Memorial Day, Flag Day and Independence Day! Be safe and remember to thank a Veteran for our freedoms during these special days of Remembrance.

I hope you and your family are enjoying the warmer days of spring. Next Sunday is Father’s Day and the beginning of summer. I know everyone is getting tired of the rain. I’m going to have to replant some of my flowers; they have been looking really bad.

For us at the Chamber we’re very busy getting ready for “The Great American Celebration” this July 3<sup>rd</sup>. Plan on bringing your family out to the celebration, it’s the best for miles around. The Pool will have a free entry starting at 5:00 pm there are all kinds of great activities planned for your family. The concession stand is always a busy place as many just plan to eat dinner there; it is really becoming the place to be on the Friday before the 4th.

I’m so grateful for my time as President. It is a busy Chamber we are part of, with many activities taking months to plan and prepare for. Your next President Brad Hogan, is well suited to bring his time and very unique talent to the position. I’m planning to help out as past President and will have more time to take on some extra projects. It has been very rewarding working with our current board and Past Presidents, Ron Brohammer and Christal Milligan. You can be sure we have a good line up of Chamber board members to carry on the good work and continue to take the “Next Step” for Richmond.

If you know someone who would enjoy working in the Chamber of Commerce and would like to run for election to the board, please let us know. You can call the office and talk to one of our Ambassadors or the Director Natalie Lamar. Our Nomination process starts July 1<sup>st</sup> so be looking for your ballot to vote for your new Board in August.

God Bless,

And See you around Richmond!
