GLOSSARY

K = knit; **K2Tog** = knit 2 stitches together; **M1** = make one (with tip of left needle, lift strand running between needles from the front; knit into the back of it); **PBRN** = place bead onto stitch on right needle (slip a bead onto crochet hook; remove right needle from stitch and insert hook into stitch; using left thumb and forefinger to pinch base of stitch and pulling for a little tension with hook, slide bead onto stitch with right fingertips; replace needle back into beaded stitch (don't twist stitch)); **RS** = right side; **St(s)** = stitch(es); **WS** = wrong side.

Oops! Our apologies.

*In spite of our very best efforts, we've discovered an error in the optional beaded bind-off portion of our **Bias Before & After Scarf** pattern.*

The italic text at left has been corrected, and while we were at it, we've added a little helpful clarification to the maneuver described in PBRN in the glossary above.

*Our thanks to the diligent customer who reported the error.
And our thanks to you for your kind understanding.*
