2 WEEKS

Sign up for one or BOTH!

June 8 - 12 and/or June 15 - 19

9:00am – 12Noon

For students currently in SK-5

Register online using the SSEDS After School Enrichment site. www.sseds.org

Back by Popular Demand!

"Creativity, Innovation and Exploration"

Hands on science, art and engineering activities sure to keep your child happy and engaged. Campers will build, explore, imagine, create and innovate, all while expressing their innate curiosity and sense of awe and wonderment about the world around them. Projects are designed to provide opportunities for campers to experiment with a wide variety of resources and tools such as hammers, nails, nuts/bolts, wrenches, and more!

Spaces are limited! Sign up soon!
