## CAMP DIRECTOR AND STAFF

Head Varsity Basketball Coach Joe Cambron has been involved with summer camps for 28 years and has been running the Joe Cambron Basketball Camp for 16 years. Every camper should bring a positive ATTITUDE and the desire to give a great EFFORT... the pillars of the Milford Basketball Program!

The Staff will consist of High School and Junior High coaches, as well as Milford High School players.

The Milford Eagles are enjoying their eighth consecutive winning season and would love to share their passion for basketball with your children in June!

### GOALS

Our goals are to teach skills in fundamentally sound basketball and to improve the boys' abilities in the finer points of the game. It is our desire not only to develop the high school and college players of tomorrow, but to help all our campers acquire good sportsmanship, discipline and leadership regardless of how far they go with basketball.
