

# UCC CYF Mission Trip for grades 9-12

## Los Angeles, California

### July 16-23, 2016

### What will we be doing in Los Angeles?

We'll be working at two different sites during our trip:

The first few days will be spent at Loch Leven Camp & Conference Center, a wonderful facility located in the San Bernardino mountains that serves Disciple churches throughout Southern California. While there we'll help with painting, light construction, and other improvement projects for the camp. Learn more about the camp and their ministries at [www.lochleven.org](http://www.lochleven.org).

During the latter half of the trip, we'll be at All People's Community Center, a Disciples-related institution that has provided valuable services to residents of South LA since 1942. Our group will be working on improvement projects at the center, assisting with children's programs, and learning about the ways the center makes a difference in the community. More info at [www.allpeoplescc.org](http://www.allpeoplescc.org).

### Where will we be staying on the trip?

We will be staying in the camp cabins at Loch Leven and on air mattresses at in classrooms at All People's Community Center. Meals will be provided while we're at Loch Leven and we'll be on our own to make meals and dine out for the rest of the trip.

### How will we travel? What else will we do?

We will be traveling by air from DFW to LA, then getting around the area in rental vans. In addition to our work, we'll be touring Chapman University (a Disciple college), spending an afternoon at the beach, visiting several cultural landmarks in the area, and spending a day at Disneyland before we head home.

### All the details that parents crave:

We will be meeting at DFW airport on Saturday, July 16 (morning or early afternoon) and returning the night of Saturday, July 23. The trip cost is \$375 per person if registered by April 15 and \$475 afterward. (Cost covers travel, lodging, and all but a few meals.) If cost is prohibitive, *additional scholarship funds are available upon request*. There will be a pre-trip meeting for youth and parents in June to go over the details, provide contact numbers, and collect medical forms and signed behavior covenants.
